**A Designated Driver is Your St. Patrick's Day
Lucky Charm**

(Franklin Park, IL) – As we head into St. Patrick's Day weekend, the Franklin Park Police Department is reminding motorists that they will be out in full force to keep our roads safe while the green beer flows.

"This St. Patrick's Day, make your own luck by designating a sober driver," said Director Michael Witz. "If you'll be drinking, using cannabis or partaking of any other impairing substance, planning ahead is the best way to ensure you and your friends make it home safely."

In addition to looking for alcohol- and drug-impaired drivers, the Franklin Park Police Department will be stepping up seat-belt enforcement, particularly at night when seat-belt usage rates are lowest. Speeding, distracted driving and other traffic laws will also be strictly enforced.

The campaign runs March 11-18.

While designating a sober driver is the simplest way to avoid a tragic crash or DUI arrest, here are additional tips to help you keep yourself and others safe:

- If a friend is about to drive impaired, take their keys and help them get home safely.
- Buckle up. It's your best defense in the event of a crash.
- Remember, pedestrians are at risk, too. If you're walking, keep an eye out for cars. If you're driving, remain alert for impaired walkers who may not obey street signs.

The St. Patrick's Day enforcement effort is made possible by federal traffic safety funds administered by the Illinois Department of Transportation.
