**WHEREAS**, the Village maintains verbatim recordings of all executive session meetings of the President and Board of Trustees of the Village of Franklin Park (the "*Corporate Authorities*") in accordance with and as required by Section 2.06 of the Open Meetings Act, 5 ILCS 120/1 *et seq.* (the "*Act*"); and

**WHEREAS**, the Act authorizes verbatim records of executive session meetings (also referred to as "closed meetings") to be destroyed no less than eighteen (18) months after the completion of the meeting recorded without notification to or approval of the State Archivist under the Local Records Act, but only after: (1) the Corporate Authorities approve of the destruction of a recording; and (2) the Corporate Authorities approve minutes of the executive session meeting that meet the written minutes requirements of subsection 2.06(a) of the Act; and

FINANCE OUTSTANDING REDEVELOPMENT COSTS NECESSARY  
FOR THE ACCOMPLISHMENT OF THE REDEVELOPMENT PLAN FOR THE  
BELMONT AVENUE/WILLIAMS STREET REDEVELOPMENT PROJECT AREA**

---

**WHEREAS**, the Village of Franklin Park, Cook County, Illinois (the “*Village*”) is a duly organized and existing municipal corporation created under the provisions of the laws of the State of Illinois and under the provisions of the Illinois Municipal Code, as from time to time supplemented and amended; and

**WHEREAS**, prior hereto, the Village President and Board of Trustees of the Village of Franklin Park (the “*Corporate Authorities*”) determined that the stable economic and physical development of the industrial area in the vicinity of Belmont Avenue and Williams Street within the Village, as legally described on Exhibit A attached hereto and made a part hereof (the “*Project Area*”), was endangered by the presence of blighting factors as manifested by progressive and advanced deterioration of structures, by the age of such structures, by a lack of physical maintenance of such structures, by excessive vacancies, by such structures being below minimum code standards, by obsolete structures and inadequate utilities, by deleterious land use and layout, and by a lack of community planning, all of which impaired private investment, threatened the sound growth and tax base of the Village and the taxing districts having the power to tax real property in the Village, and threatened the health, safety, morals, and welfare of the public; and

**WHEREAS**, in 1996, the Corporate Authorities, pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, (the “*Act*”) adopted those ordinances necessitated by the Act (collectively, the “*TIF Ordinances*”) for the creation of the Belmont

Avenue/Williams Street Redevelopment Project Area (the "*Project Area*") in an effort to protect the health, safety, morals, and welfare of the public, ameliorate the blighted conditions and alleviate adverse conditions, encourage private investment, and restore and enhance the tax base of the Village and affected taxing districts; and

**WHEREAS**, in furtherance of the above objectives, the Corporate Authorities adopted the Belmont Avenue/Williams Street Redevelopment Project Area Plan and Project (the "*Plan*") to promote the health, safety, morals and welfare of the public, to eradicate the blighted conditions, to remove and alleviate adverse conditions in order to encourage private investment and restore and enhance the tax base of the affected taxing districts by the development or redevelopment of the Project Area, and the eradication of blight; and

**WHEREAS**, as set forth in the Act, the estimated date of completion of the redevelopment project and retirement of obligations issued to finance redevelopment project costs is December 31st of the year in which the payment to the Village of Franklin Park treasurer is to be made with respect to as valorem taxes levied in the 23<sup>rd</sup> calendar year after 1996 (the "*Estimated Completion Date*"); and

**WHEREAS**, on March 2, 2020, the Corporate Authorities, in furtherance of the Plan, adopted Resolution No. 1920-R-29 which designated \$1,455,000.00 in incremental revenues for the widening and reconstruction of Belmont Avenue from Williams Street to Mannheim Road, Williams Street from Belmont Avenue to Franklin Avenue, and widen Mannheim Road to create a right turn lane onto Belmont Avenue, and all other appurtenant work related thereto (the "*Project*"); and

**WHEREAS**, the initial estimated costs allocated for the right turn lane from Mannheim

Road to Williams Street and the demolition of 3204 Mannheim Road are insufficient and the Corporate Authorities deem it advisable and in the best interest of the health, safety and welfare of the residents of the Village to appropriate additional incremental revenues to complete the Project; and

**WHEREAS**, there exists necessary redevelopment projects in furtherance of the Plan that circumstances shall prevent completion of such projects by the Estimated Completion Date and, in effect, the payment of redevelopment project costs and the retirement of obligations related to such projects by the Estimated Completion Date; and

**WHEREAS**, pursuant to the Act, the Corporate Authorities deem it advisable and in the best interest of the health, safety and welfare of the residents of the Village to appropriate additional incremental revenues from the Project Area to finance redevelopment project costs necessary for the accomplishment of the Plan for the Belmont Avenue/Williams Street Tax Increment Financing District.

**NOW, THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Franklin Park, Cook County, Illinois, as follows:

**Section 1.** That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

**Section 2.** That the Village has previously hereto initiated a redevelopment project within the Project Area, and in furtherance of the Plan, to enhance necessary infrastructure in order to promote the continued industrial viability of the properties within the Project Area through the widening and reconstruction of Belmont Avenue from Williams Street to Mannheim Road,

Williams Street from Belmont Avenue to Franklin Avenue, and widen Mannheim Road to create a right turn lane onto Belmont Avenue, and all other appurtenant work related thereto (the “Project”), however, the initial estimated costs allocated for the right turn lane from Mannheim Road to Williams Drive and the demolition of 3204 Mannheim Road were insufficient to complete this portion of the Project; accordingly, in addition to those allocations and appropriations made pursuant to Resolution No. 1920-R-29, funds in the amount of Six Hundred Ninety Six Thousand Seven Hundred and no/100 dollars (\$696,700.00) are hereby allocated and appropriated from the Belmont Avenue/Williams Street Tax Increment Financing District for the Project, subject to the future submission, review and approval of all contracts and invoices related thereto to the Corporate Authorities.

**Section 3.** The officials and officers of the Village are hereby authorized to undertake necessary actions on the part of the Village to complete satisfaction of the provisions of this Resolution.

**Section 4.** If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Resolution.
