\*\*\*\*

- E. Only one curb cut crossing to a street or alley is permitted for a single-family or two-family dwelling unless the residential lot area is greater than 15,000 square feet, in which case up to three curb cut crossings to a street or alley is permitted.

**WHEREAS**, the Village of Franklin Park, Cook County, Illinois (the “Village”) is a duly organized and existing municipal corporation created under the provisions of the laws of the State of Illinois and under the provisions of the Illinois Municipal Code, as from time to time supplemented and amended; and

**WHEREAS**, in enacting Ordinance Number 1314-VC-16 entitled “An Ordinance Amending Chapter Eight of Title Seven of the Village Code of the Village of Franklin Park, Cook County, Illinois to Establish a Site Specific Groundwater Use Restriction Zone Application Process” (the “Site Specific Application Process”) the Village President and Board of Trustees of the Village Franklin Park (the “Corporate Authorities”) have determined that groundwater within the Village is a valuable natural resource that should be protected and preserved; and

**WHEREAS**, the Corporate Authorities, in enacting a Site Specific Application Process, have determined it is inappropriate to restrict in perpetuity the use of all groundwater located within the corporate boundaries of the Village (hereinafter referred to as a “*border-to-border restriction*”); and

**WHEREAS**, the Corporate Authorities have determined, in enacting a Site Specific Application Process, that a border-to-border restriction may lead to further contamination of groundwater by industrial and commercial activity taking place within the Village; and

**WHEREAS**, the Corporate Authorities, in enacting a Site Specific Application Process, have determined that the Village should consider, on a case-by-case basis, the enactment of in perpetuity restrictions on the use of contaminated groundwater that qualify as an institutional control under Title XVII of the Illinois Environmental Protection Act, Site Remediation Program, 415 ILCS 5/58 *et seq.* and Subpart J of the TIERED APPROACH TO CORRECTIVE ACTION OBJECTIVES, Institutional Controls, 35 IAC 742.1000 *et seq.* (hereinafter referred to as an “*institutional control*”); and

**WHEREAS**, in accordance with the Site Specific Application Process, the Corporate Authorities find that it is in the public interest and will tend to promote the health, safety, morals, comfort, convenience and general welfare of the residents of the Village to establish a Restricted Groundwater Zone that will qualify as an institutional control.

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Franklin Park, Cook County, Illinois, as follows:

**Section 1.** That the above recitals and legislative findings as found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

**Section 2.** The use or attempted use of groundwater as a potable water supply from within the area shown on Exhibit A and more particularly described in Exhibit B, copies of such being attached hereto and made a part hereof, by the installation of wells or by any other method, is hereby prohibited.

**Section 3.** The prohibition contained in Section 2 of this Ordinance shall also apply to the Village of Franklin Park, including the operation of its water utility.

**Section 4.** Penalties. Any person violating the provisions of this Ordinance shall be subject to a fine of up to Seven Hundred Fifty Dollars (\$750.00) for each violation.

**Section 5.**     Definitions.

"Person" shall mean any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, estate, political subdivision, or any other legal entity, or their legal representatives, agents or assigns.

"Potable water" shall mean any water used for human or domestic consumption, including, but not limited to, water used for drinking, bathing, swimming, washing dishes, or preparing foods.

**Section 6.**     All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

**Section 7.**     If any section, paragraph, clause or provision of this Ordinance shall be held invalid or its application to any person or under any circumstances is adjudged invalid, the invalidity thereof shall not affect any other provision of this Ordinance.

**Section 8.**     This Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.
